**Resolution 11 (Passes Unanimously)**  
**Resolution for Stoles for Wasilla High School Student Government Officers at Graduation**  
**Submitted by Gracie Minnick**

**Be it resolved by the Alaska Association of Student Governments General Assembly;**

1. **Whereas;** WHS Student Government officers currently get no recognition at graduation for their service during their high school career,
2. **Whereas;** both senior class officers and student body executive board officers should get equal recognition at graduation,
3. **Whereas;** in order to run for office a student must have and maintain a 3.0 GPA. Therefore, there are academic requirements to hold office similar to those of being a part of National Honor Society,
4. **Whereas;** to receive the recognition at graduation, they must be an elected student body or class officer during the duration of just their senior year; therefore anyone holding a position during their freshman, sophomore, or junior year will not get a stole at senior graduation,
5. **Whereas,** in exception to the previous whereas statement if a student graduates a year early as a junior while holding a class or student body position they will be eligible to receive a stole at graduation stating their position,
6. **Whereas,** you must have approval from your advisors, teachers, and administrators in order to be given a stole for graduation,

7. **Whereas**, senior class officers and student body executive board officers work in correlation with other Student Government members in planning, setting up, and funding certain school activities and events pertaining to the student body,
8. **Whereas**; only officers will be recognized with stoles stating their position at graduation,

**Therefore, be it resolved by the Alaska Association of Student Governments General Assembly that stoles be worn by senior student body and class officers at Wasilla High School's graduation who meet the requirements.**
