

**Alaska Association of Student Governments**  
**Resolution #17**  
**Balancing E-hall pass**  
**Submitted by: Max Mullenberg and Lehansa Fernando**  
**October 14, 2023**

**Be it Resolved by the Alaska Association of Student Governments that: The hall pass is balanced between paper passes and the E-Hall pass.**

1. **Whereas**, most of the students and staff don't like the E-Hall pass;
2. **Whereas**, the E-Hall pass interrupts lessons during the day;
3. **Whereas**, according to Victoria Williams, "It takes too long to set up the destinations for teachers" meaning teachers have to pause their lessons;
4. **Whereas**, the E-Hall pass only gives students five minutes to leave the classroom;
5. **Whereas**, the use of E-Hall Passes has been observed to disrupt the flow of lessons throughout the school day, impacting the overall learning environment;
6. **Whereas**, technical glitches in the E-Hall Pass system, including inaccurate timers and unexpected stops, compromise its reliability and effectiveness;
7. **Whereas**, when students used paper hall passes it was easier for teachers to see that the pass was still out of the classroom

**Therefore, be it resolved that the Alaska Association of Student Governments supports that the E-Hall pass is balanced with a paper hall pass.**

**Action Statement:** if passed by the General Assembly of AASG, Lathrop's Executive Board will bring the resolution to the school board superintendent Dr. Luke Meinert.
