

Alaska Association of Student Governments

Resolution #4

Anchorage School District Family Activity Pass

Submitted by: ERHS

Submitted September 19, 2018

Be it Resolved by the Alaska Association of Student Governments that:

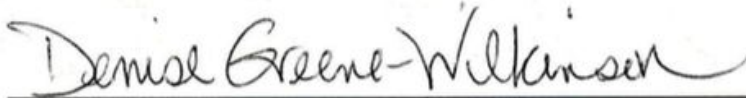

1. **Whereas**, currently, Activity passes are only available for students, not families, of the Anchorage School District;
2. **Whereas**, Activity passes currently cost \$25 per student for one school year;
3. **Whereas**, if purchased by students, activity passes allow free access to home games, and access to away games for \$3 instead of \$5;
4. **Whereas**, a family activity pass would improve game attendance, school spirit and community involvement;
5. **Whereas**, the money raised would assist in helping pay for school activities;
6. **Whereas**, the family activity pass would cost \$100 for a family for the whole school year;
7. **Whereas**, the family activity pass defines a family as immediate family members only;
8. **Whereas**, if purchased by families, the family activity pass would allow families to utilize the pass in the same manner as a student activity pass;
9. **Whereas**, some sports, such as volleyball, basketball, hockey, soccer, etc., have multiple games per week which forces larger families to pay considerably more for every game without the family activity pass;
10. **Whereas**, to regulate families with activity passes, each member, must show some form of valid identification, except for elementary age students, who do not have identification and are normally admitted for free;

Therefore, be it resolved that the Alaska Association of Student Governments supports that an ASD Family Activity Pass be added for purchase by the ASD for the members of the Eagle River/Chugiak/Anchorage Communities.

Passed unanimously by the fall 2018 General Assembly at Skagway of the Alaska Association of Student Governments.

Vice President, Kyle Hasse

Executive Director, Denise Greene-Wilkinson
