

Alaska Association of Student Governments

Resolution #6

Hats Should Be Allowed In Schools

Submitted by: Delta High School Student Government

April 21, 2022

Be it Resolved by the Alaska Association of Student Governments that:

1. **Whereas**, the faculty will have the right to ask a student to remove their hat for an appropriate reason;
2. **Whereas**, the student body should be allowed to embrace the current era and adapt to the environment by freely wearing hats during school;
3. **Whereas**, allowing students to wear hats encourages students to express themselves and to be comfortable;
4. **Whereas**, allowing students to wear hats can boost student morale;
5. **Whereas**, Fairbanks North Star Borough School District allows their students to wear hats indoors (excluding Ben Eielson and Monroe);
6. **Whereas**, Delta Junction Junior High allows their students to wear hats indoors.
7. **Whereas**, students should be able to adapt to the environment as they see fit, especially in the cold temperatures of Alaska;
8. **Whereas**, hats are not as distracting as the faculty having to constantly ask students to take off said headgear;
9. **Whereas**, the rule regarding wearing hats in school hours has not been enforced consistently and equally;

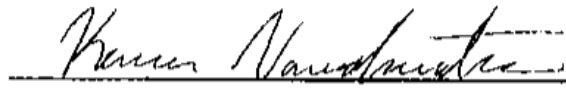

Therefore, be it resolved that the Alaska Association of Student Governments supports abolishing the rule of hats being not worn.

Action Statement: If passed by the general assembly of AASG, The resolution will be brought to the DHS principal Micheal Lee. If he vetoes it, we will then take the resolution to the Delta Greely School Board for further action.
